

Appendice II – Foto da ritagliare

Per gli esercizi del
Capitolo X

Ritagliate le 54 fotografie riportate nelle pagine seguenti. A lavoro ultimato mescolatele e riunitele in un unico mazzo. Appoggiate il mazzo rovesciato sul tavolo, in modo da non vedere la prima.

Se decidete di attaccarle su un cartoncino, abbiate cura di trascrivere sul verso il numero che trovate stampato dietro ad ognuna di esse. In tal modo ogni foto sarà identificabile. Poi procedete attenendovi alle istruzioni fornite nel Capitolo X.
